This morning and afternoon the annual championships of the Middle States Athletic Association will be decided on Ohio Field, at New York University. Over 580 entries have been received from the several members of the conference, which include Lafayette, Lehigh, Franklin and Marshall, Lebanon Valley, Dickinson, Washington and Jefferson, New York University, Stevens Institute, Haverford, Swarthmore, Rutgers, Muhlenburg and Gettysburg. Gettysburg.

His Day of Recreation.

Chapter One.

Horace Seybold was a Tired Business Man. Through the week he kept Speed records trembled as the en- pretty well fagged out with a deep mental and physical depression. But Sattrants in the automobile races to be held urday at noon he quit work and rushed out joyfully to the golf course to give at the Sheepshead Bay Speedway this his shattered nerves a rest and his mental depression an uplift.

From the cutter of the lates and the second help with a deep mental and physical depression, and particularly the lates of the second help with a deep mental depression an uplift.

Releasy, white the mental depression an uplift.

Standing on the first test, Berness Sybold locked out across the soft green and the lates of the second help with the second daring drivers burned up the two-mile track as they sped around the oval course to attain the 90-miles-an-hour average necessary to eligibility to start.

Of the nineteen cars entered for the \$20,000 in prizes, eleven succeeded in making the required speed. The other eight scheduled competitors will take to the track some time this morning for their qualifying performances.

Huddled behind the steering wheel of his Peugeot, Ralph Mulford, one of the favorites for the metropolitan trophy contests, accomplished the best time of the afternoon. The official timers

The Giants were expected to start from the bottom for the top at any

the wing and develop power, Morton started in to institute a reign of terror. He spring and develop power, Morton started in to institute a reign of terror. He spring and develop power, Morton started in to institute a reign of terror. He is already rolled back the Tigers, White Sox, Browns and Red Sox with his spring and develop power, Morton started in to institute a reign of terror. He is already rolled back the Tigers, White Sox, Browns and Red Sox with his other in the country to beat and the init quite twenty-three. If this Cleveland slabman doesn't prove to be another in the other Wing.

On the other wing, take the case of Ray Caldwell. Ray was always a winding pitcher even when the Yanks were in the rut. Last season the starts. It was not believed that the finish typing and quick snap of lootifed, as 30 120 Mondrout, by a 30 12 Mondrout, by a 40 Mondro

On the other wing, take the case of Ray Caldwell. Ray was always a winning pitcher even when the Yanks were in the rut. Last season he beat Walter Johnson at both starts. It was predicted that if the Yanks ever assembled a Johnson at both starts. It was predicted that if the Yanks ever assembled a large will oppose the second combinative will oppose the second com In the draw for positions in the trophy contest Christiaens was successful in obtaining first position, while Aitken drew 3. Mulford 9 and Resta 19, in the back row.

In the Metropolitan event the cars will be sent off at a flying start, but in the 20 and 50 mile contests the com-

Charley Somers spent fourteen years and a fortune in attempting to give Cleveland a winner. The year he steps down and out the club buzzes from seventh place to the top in less than a month.

G. F. S .- If we had our pick of any one outfield in baseball it would be tough selection between Cobb, Veach and Heilman or Crawford, of the Tigers, or Burns, Kauff and Robertson, of the Glants.

Guy Morton.

In discussing the leading pitchers of the land very few have entered the name of Guy Morton among the elect. Yet if the Cleveland club maintains its morale, Morton will likely be ranked with Walter Johnson before the year is out.

Morton calls Vernon, Ala., his home. He is over six feet, weighs 178 pounds, as the cars are hauled through, a victous leg drive and quick snap of the wints at the finish, typifies Jim Cleveland club late in 1914, and despite the punk aspect of that organization Rice's idea of the right way to propel an eight-cared shell through the water. Then there is Pensylvania with what.

first and second crews in each heat will qualify for the final.
